GREENLEIGH AT CROSSROADS, Middle River, MD

Live Authentically. A new standard of modern living at Greenleigh at Crossroadsâ€™ Baltimoreâ€™s premier â€œurban villageâ€• where lifestyle, design, and convenience converge. This exceptional, better-than-new Georgetown model has been elevated with thoughtful modifications, bespoke finishes, and custom details that set it apart. Wide-plank wood floors flow throughout the home, recessed lighting, rough-ins for statement sconces and pendants, custom bamboo window shades and plantation shutters, built-ins and millwork.

A dramatic entry foyer makes a striking first impression, bridging formal entertaining spaces with the casual flow of everyday life. Designed with entertaining in mind, the butlerâ€™s pantry offers custom cabinetry, wet bar, quartz counters, beverage fridge, and ice machine, while seamlessly connecting the kitchen and dining room. The open-concept chefâ€™s kitchen pairs crisp white cabinetry with roll-out and soft-close features, quartz counters, an oversized island, glass tile backsplash, and a professional-grade KitchenAid appliance suiteâ€”including a six-burner Wi-Fi enabled range with custom hood and pot filler faucet. A built-in Miele coffee station completes this indulgent space. The adjoining breakfast room opens to the rear yard, while a thoughtfully designed family entry foyer from the garage with quartz

counters, cabinetry, storage closet and pantry keeps daily life beautifully organized. The light-filled great room, anchored by a gas fireplace with custom mantle creates a casually elegant gathering space. Tucked off the entry foyer is a full bath and bedroom six, also perfect for quiet home office space.

A sweeping waterfall staircase rises from the reception area to the second-floor landing. Double doors introduce the luxurious primary suite, a retreat that sprawls across the back of the home. A separate den adds versatility, while a swoon-worthy custom closet with boutique styling is complemented by a secondary walk-in. The spa-inspired bath with soothing tonal harlequin tile flooring showcases an oversized shower with waterfall faucet, hand wand and dual benches, soaking tub, hammered nickel sinks set in an expansive 8-foot quartz vanities, and designer mirrors with sconces.

Generously sized secondary bedrooms, including a front-facing ensuite with sitting area and walk-in closet with custom shelving. Bedrooms three and four share a stylish bath with granite vanity, tub/shower, and statement mirror. A laundry area is cleverly tucked behind double doors for convenience. The third floor delivers flexibility for today's lifestyle—wired for Wi-Fi and coax—making it ideal for a home office, creative studio, or a fifth bedroom with full ensuite bath and closet.

Outdoor living possibilities are endless, with HOA-approved plans ready and available to inspire the next owner. A rare oversized 2 car garage option with tandem parking for a third car, plus two driveway spaces and ample guest street parking. Beyond the home, Greenleigh offers unmatched amenities: clubhouse, swimming pool with separate gated children's pool, fitness center, conference

space, outdoor patio and grilling areas, dog parks, playgrounds, and community greenspaces. Restaurants, retail, and everyday conveniences are a short walk away. Minutes from I-95, the Beltway, MARC train, Martin State airport for private flights, Gunpowder State Park, and marina options. Lawn and landscape maintenance are included, allowing you to simplify life and focus on what matters most. Every space here is curated to elevate both lifestyle and design—a sophisticated retreat in a vibrant, connected community. Cultivate your existence. The art of uniting human and home. *Sellers require pre-approval or proof of funds for showing approval.
