Residential on 3.30 Acres

NONE AVAILABLE, Clarksville, MD

Distinctive contemporary stone Colonial set on over three private, wooded acres in Foxhall Villas. Its exterior makes a memorable first impression with a full stone faade accented by vertical architectural details that balance timeless craftsmanship and modern design. A long, curved flagstone pathway and front patio lead to a striking red front door framed by a rounded stone entryway. Inside, premium Brazilian cherry hardwood floors flow throughout a bright, open, and airy layout. The design blends modern and vintage influences with warm neutral tones, earthy textures, and an abundance of natural light from oversized windows.

The foyer offers three closets, including one walk-in, and a convenient powder room. To the right of the staircase, the spacious family room enjoys ample sunlight and comfortable gathering space. Continue into the open-concept great room, where a sunlit living area features a built-in bench seat, soaring ceilings, and dramatic stacked windows. The adjacent formal dining room showcases a vintage-inspired chandelier, exterior access, and an open cutout shelving wall for decorative display or additional storage. Beyond the accent wall lies the gourmet eat-in kitchen, featuring a large island with breakfast bar seating and a floating sink illuminated by statement pendant lighting. Highlights include stainless steel appliances, granite countertops, a warm backsplash, ample cabinetry, a writing

station, a butler’s pantry, and additional exterior access for easy indoor-outdoor flow.

Upstairs, the loft/sitting room features vaulted coffered ceilings and a centrally located laundry closet. Three bedrooms and three full bathrooms complete this level, including a remarkable owner’s suite with vaulted ceilings accented by exposed beams, a spacious walk-in closet, and a stunning bathroom with vibrant tilework, a soaking tub, dual sinks, and a separate shower. A second bedroom also includes a private bath and walk-in closet, while the third bedroom offers double closets and vaulted ceilings with exposed beams. The uppermost level loft includes a bonus room ideal for a home office overlooking the owner’s suite, an additional loft space perfect for a playroom, and a utility room.

The fully finished walk-out lower level expands the living space with a recreation area, a carpeted sitting area, a dining space, and a second full kitchen with stainless steel appliances. This level also includes a laundry room, a fourth bedroom, and a full bathroom. Outdoor living is a true highlight, with a two-tiered wraparound composite deck overlooking the tranquil, wooded backyard—private, peaceful, and perfect for relaxing or entertaining amid nature’s beauty.
